)	SUPPORT OF EXCLUSION
Shawn Grygo,)	OF TIME UNDER SPEEDY
)	TRIAL ACT
Defendant.)	

PURSUANT TO 18 U.S.C. § 3161(H)(7)(A), I, Shawn Grygo, present the following statement of facts in support of my motion to exclude time under the Speedy Trial Act. My attorney and I need additional time to review the voluminous amount of evidence produced by the government to date. We need additional time to receive from the government extensive additional discovery not yet received and review it. My attorney needs additional time to adequately investigate. I need additional time to engage in meaningful discussions with my attorney regarding my case. For these reasons, I believe that I need more time than the Speedy Trial Act allows.

Base on the above facts, I am requesting a 120-day extension of the motions filing date and extend all other deadlines accordingly. I have discussed this matter with my attorney and I voluntarily make this request, with knowledge of my rights under the Speedy Trial Act.

Respectfully submitted,
